

[Marcia Witter-Williams](#) — As a parent of a former student of Ms. Alexis; it is a privilege to have a child study under a world renowned Performer and Director. Carole Alexis offers complete development, from artistic to intellectual. As a result of the excellent education and training received, my child performed at venues such as Lincoln Center, Walt Disney World, etc. I recommend Ballet des Ameriques, as this school offers the most superb training under the leadership of Carole Alexis!!!

Ari Wood — Ballet des Amériques is more than just Ballet. You will learn the rigor of Ballet to all expressions of the true form of Art. Students will be enriched in this nurturing environment but yet maintaining the discipline it requires. It is an amazing professional school.
