

Thank you for creating such a beautiful dance performance this year! Everyone that I spoke to loved the show. I was so impressed by such a spectacular and beautiful performance. It was also wonderful to see the development of all the dancers. The company was amazing. Their dances were so impressive. Wow! I always appreciate the range of choreography including the dances that challenged and showed the strengths of all the students.

It is so overwhelming to hear so many "excellent," "extraordinary," "wonderful," "spectacular", "fantastic..." These good words are for all of you! Everyone contributed, and we succeeded! A big thanks to everyone.

Above all a special thank you to Madame Alexis for creating a warm and supportive dance community for all the students. This is just one of the wonderful gifts you share as a teacher and as an artistic director. Congratulations!
