

Attendance is mandatory and is recorded, and classes begin promptly at their designated times. Please note that the attendance record plays a role in deciding whether a student is ready to move on to the next level.

Students must arrive at least **30 minutes prior** (15 minutes for younger students) to class to fix their hair and spend 15 minutes on warm-up and cross-training exercises. Parents must pick up students promptly after class at the door of the respective studio.

If a student is bound to be absent, the School must be notified by e-mail - if possible 24 hours - ahead of time, and a reason for the absence must be given. The absence will require attendance of a make-up class. Lateness must likewise be accompanied by a valid reason and - depending on the severity of the lateness - the teacher may ask the student simply to observe the class.

For attendance, please email Ms. Rodriguez at admin@balletdesameriques.com
